Special Moments...

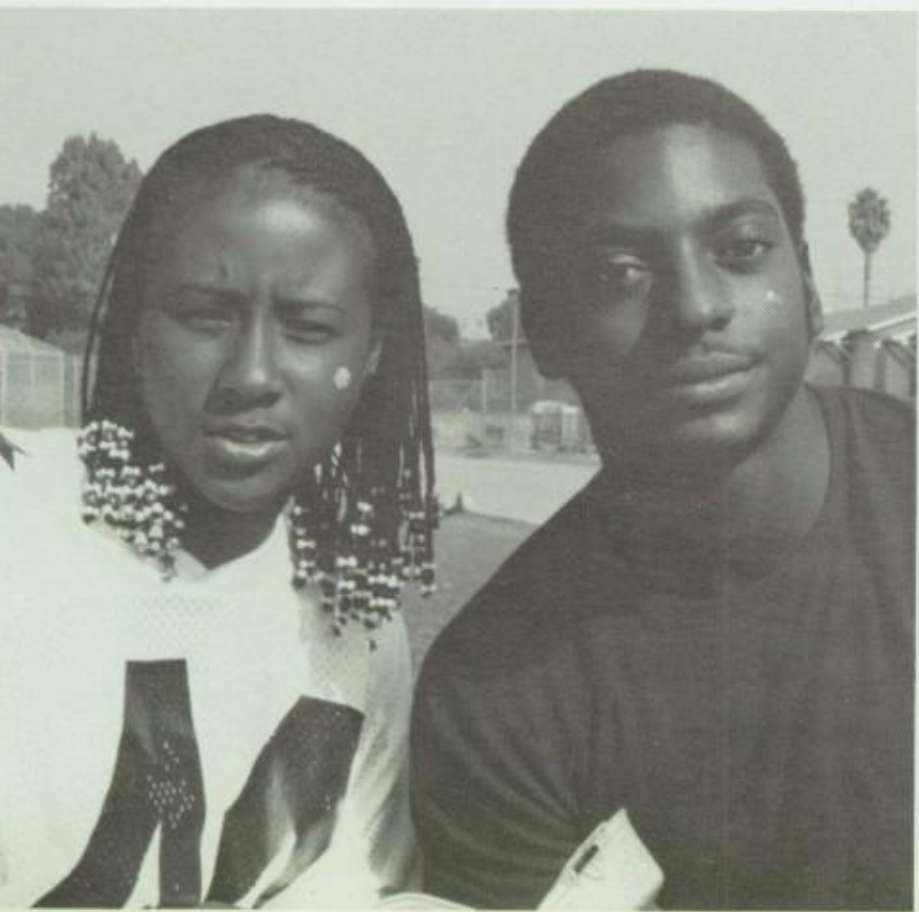

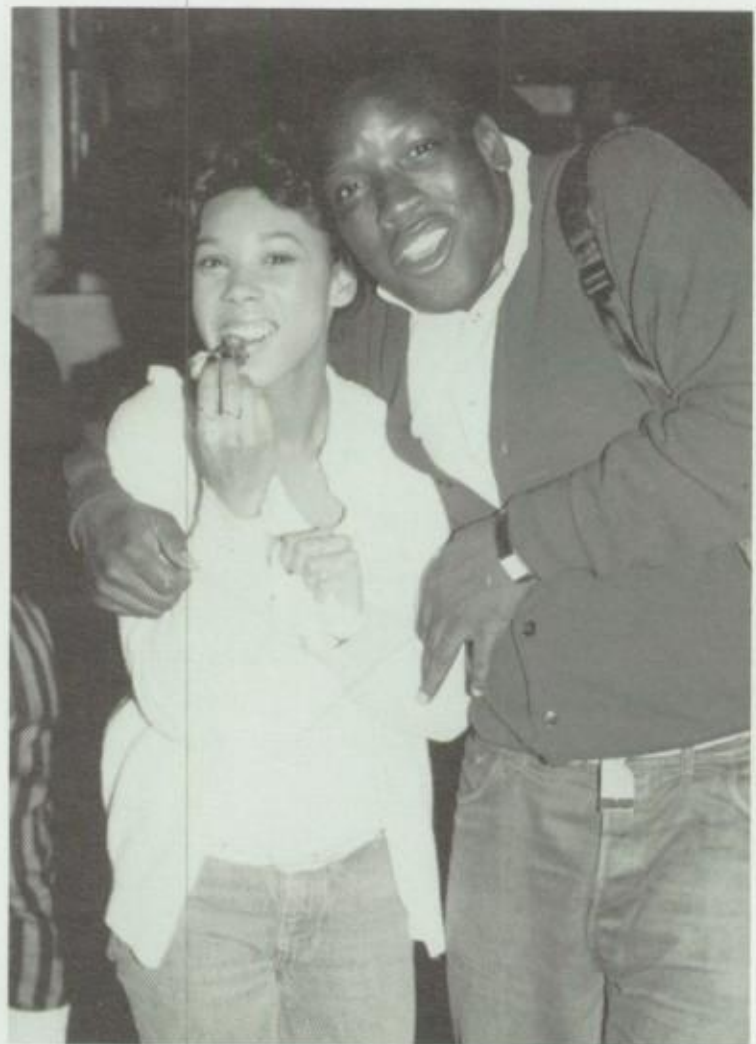

The prom was held at the Biltmore Hotel on May 20th. Despite the high prices of the tickets everyone seemed to enjoy themselves. The expense was well worth the fun.

Catalina Trip '83

On October 24th, 1982 the Senior Class of University High went on their annual Catalina Trip and spent the entire day there. Activities included: bicycle riding, swimming, bottomless boat riding, volleyball, and motion sickness. Over all the Seniors had a great time together.

A C T I V I T I E S

Drama Presents . .

My Sister Eileen

This year's fall semester production was "My Sister Eileen." The play was about two sisters trying to make it big in New York City, and succeeding. While a few lines were missed, they only added to the humorous situations. The play was a hit!!

Senior —

Senior pizza night was a huge success. Hundreds of hungry seniors packed into Santa Monica's Straw Hat pizza parlor, for another one of Uni's fun-filled events.

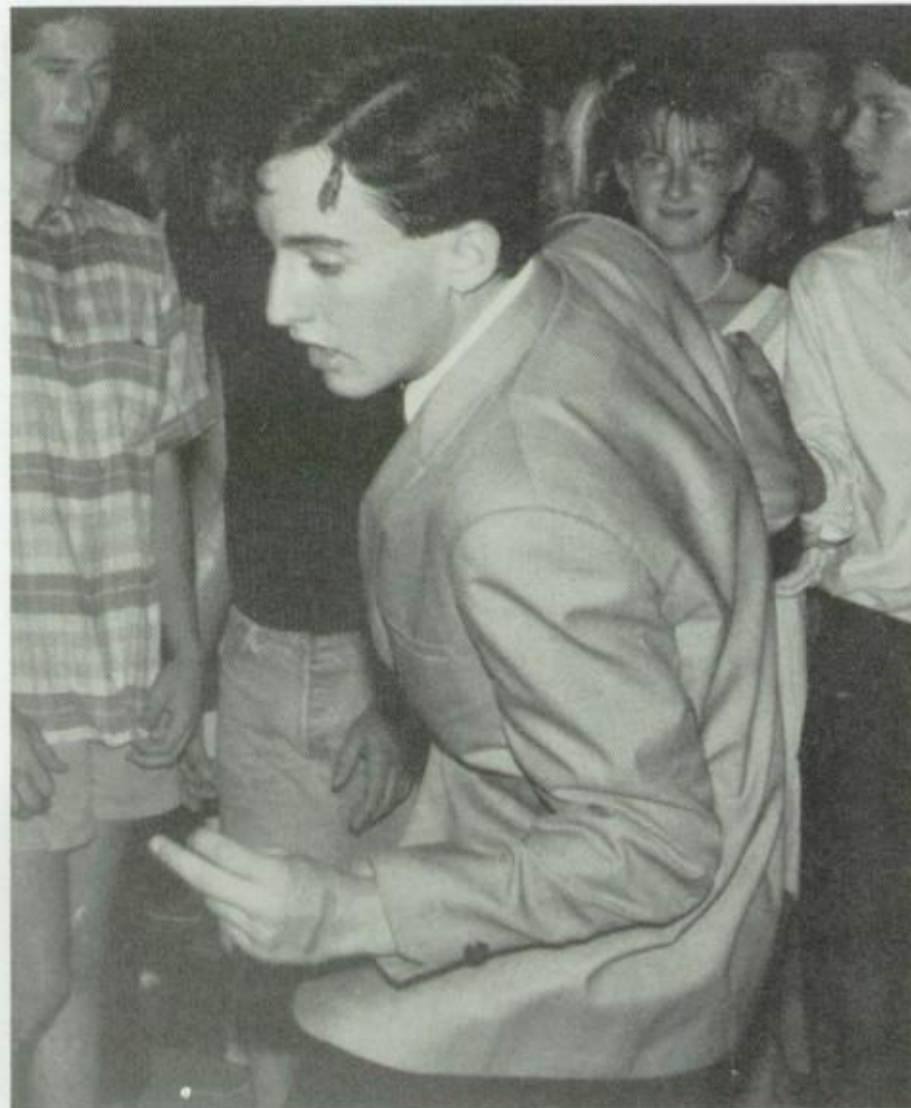

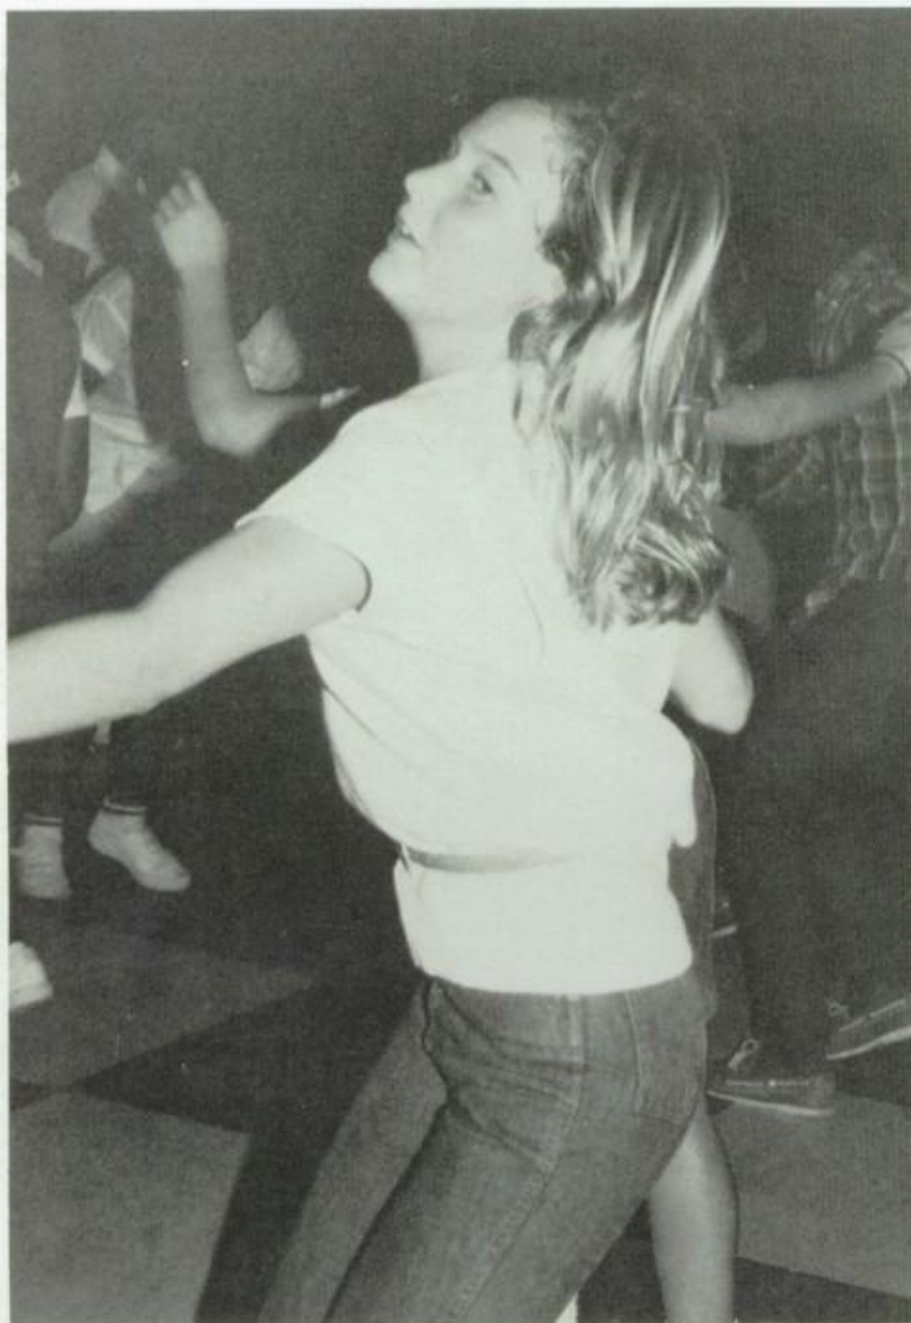

One unfortunate happening was the spontaneously aroused food fight with all involved. One was unable to walk in the door without being slapped in the face by a slice of pepperoni, and the unhappy victim could not find the guilty party.

Pizza Night

UNI-ROQ DANCE

The UNI-ROQ Dance was the first dance of the year. We were fortunate to be rocked by the tunes of KROQ D.J. Richard Blade. Everyone skanked, slammed, and bopped the night away to the mod sounds of new wave and reggae music. Overall, it was a great night of fun and excitement for everyone.

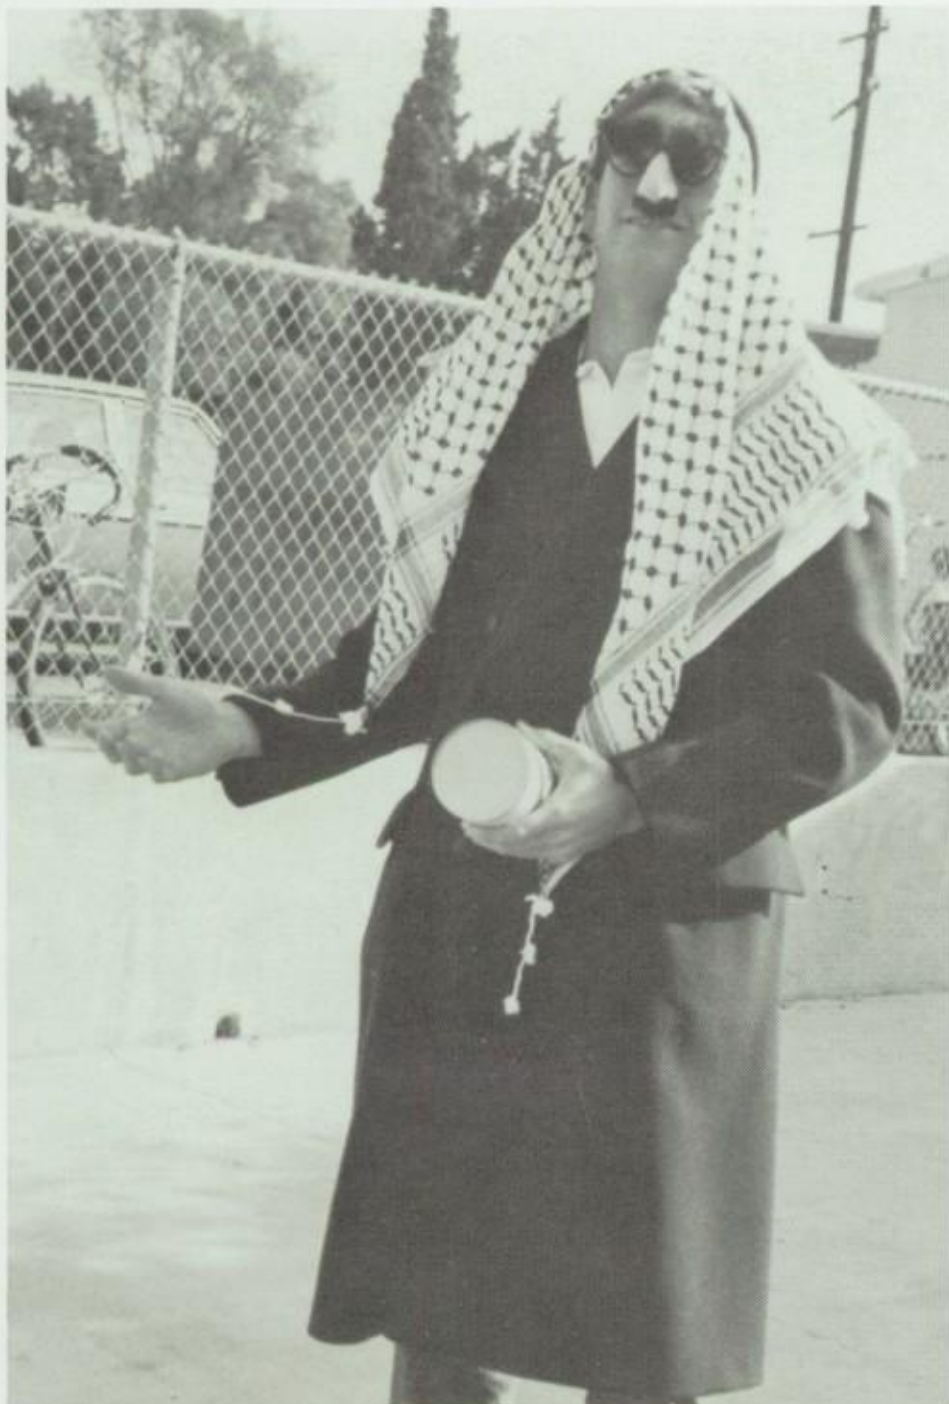

HALLOWEEN

Uni's spirit was exceptional this year. So many people contributed by dressing up in various styles of Halloween costumes. They varied from gorillas, and clowns, to Romans in togas.

First prize was awarded to the costume resembling a box of McDonald's french fries. As usual, the Halloween spirit made Dress-Up Day especially fun and exciting.

DRESS UP DAY

Uni's homecoming '82 was a very special event for many people. The homecoming court had so many candidates this year, that it was difficult trying to choose among them. This years senior king was Bobby Stephanson, & the lucky senior queen was Danielle Klapproth. The senior prince was Sean Welch with Wendi Finch as the princess.

The Junior Princess of '82 was Jeremy Canter and the Junior Princesses were Jill Hoffman and Ampan Dominguez. Sophomore winners were Dee Dee Hoffman and Aram Hamampour.

Homecoming

This gala event turned out to be an absolute smash. The theme was "Time Passages," and the floats were designed to cover a certain time period, starting from the Roaring 20's, and ending in the Space Age.

Some of the better floats included those sponsored by the Cross Country team, the varsity basketball team, Uni-Plus, Leadership, and the cheerleaders.

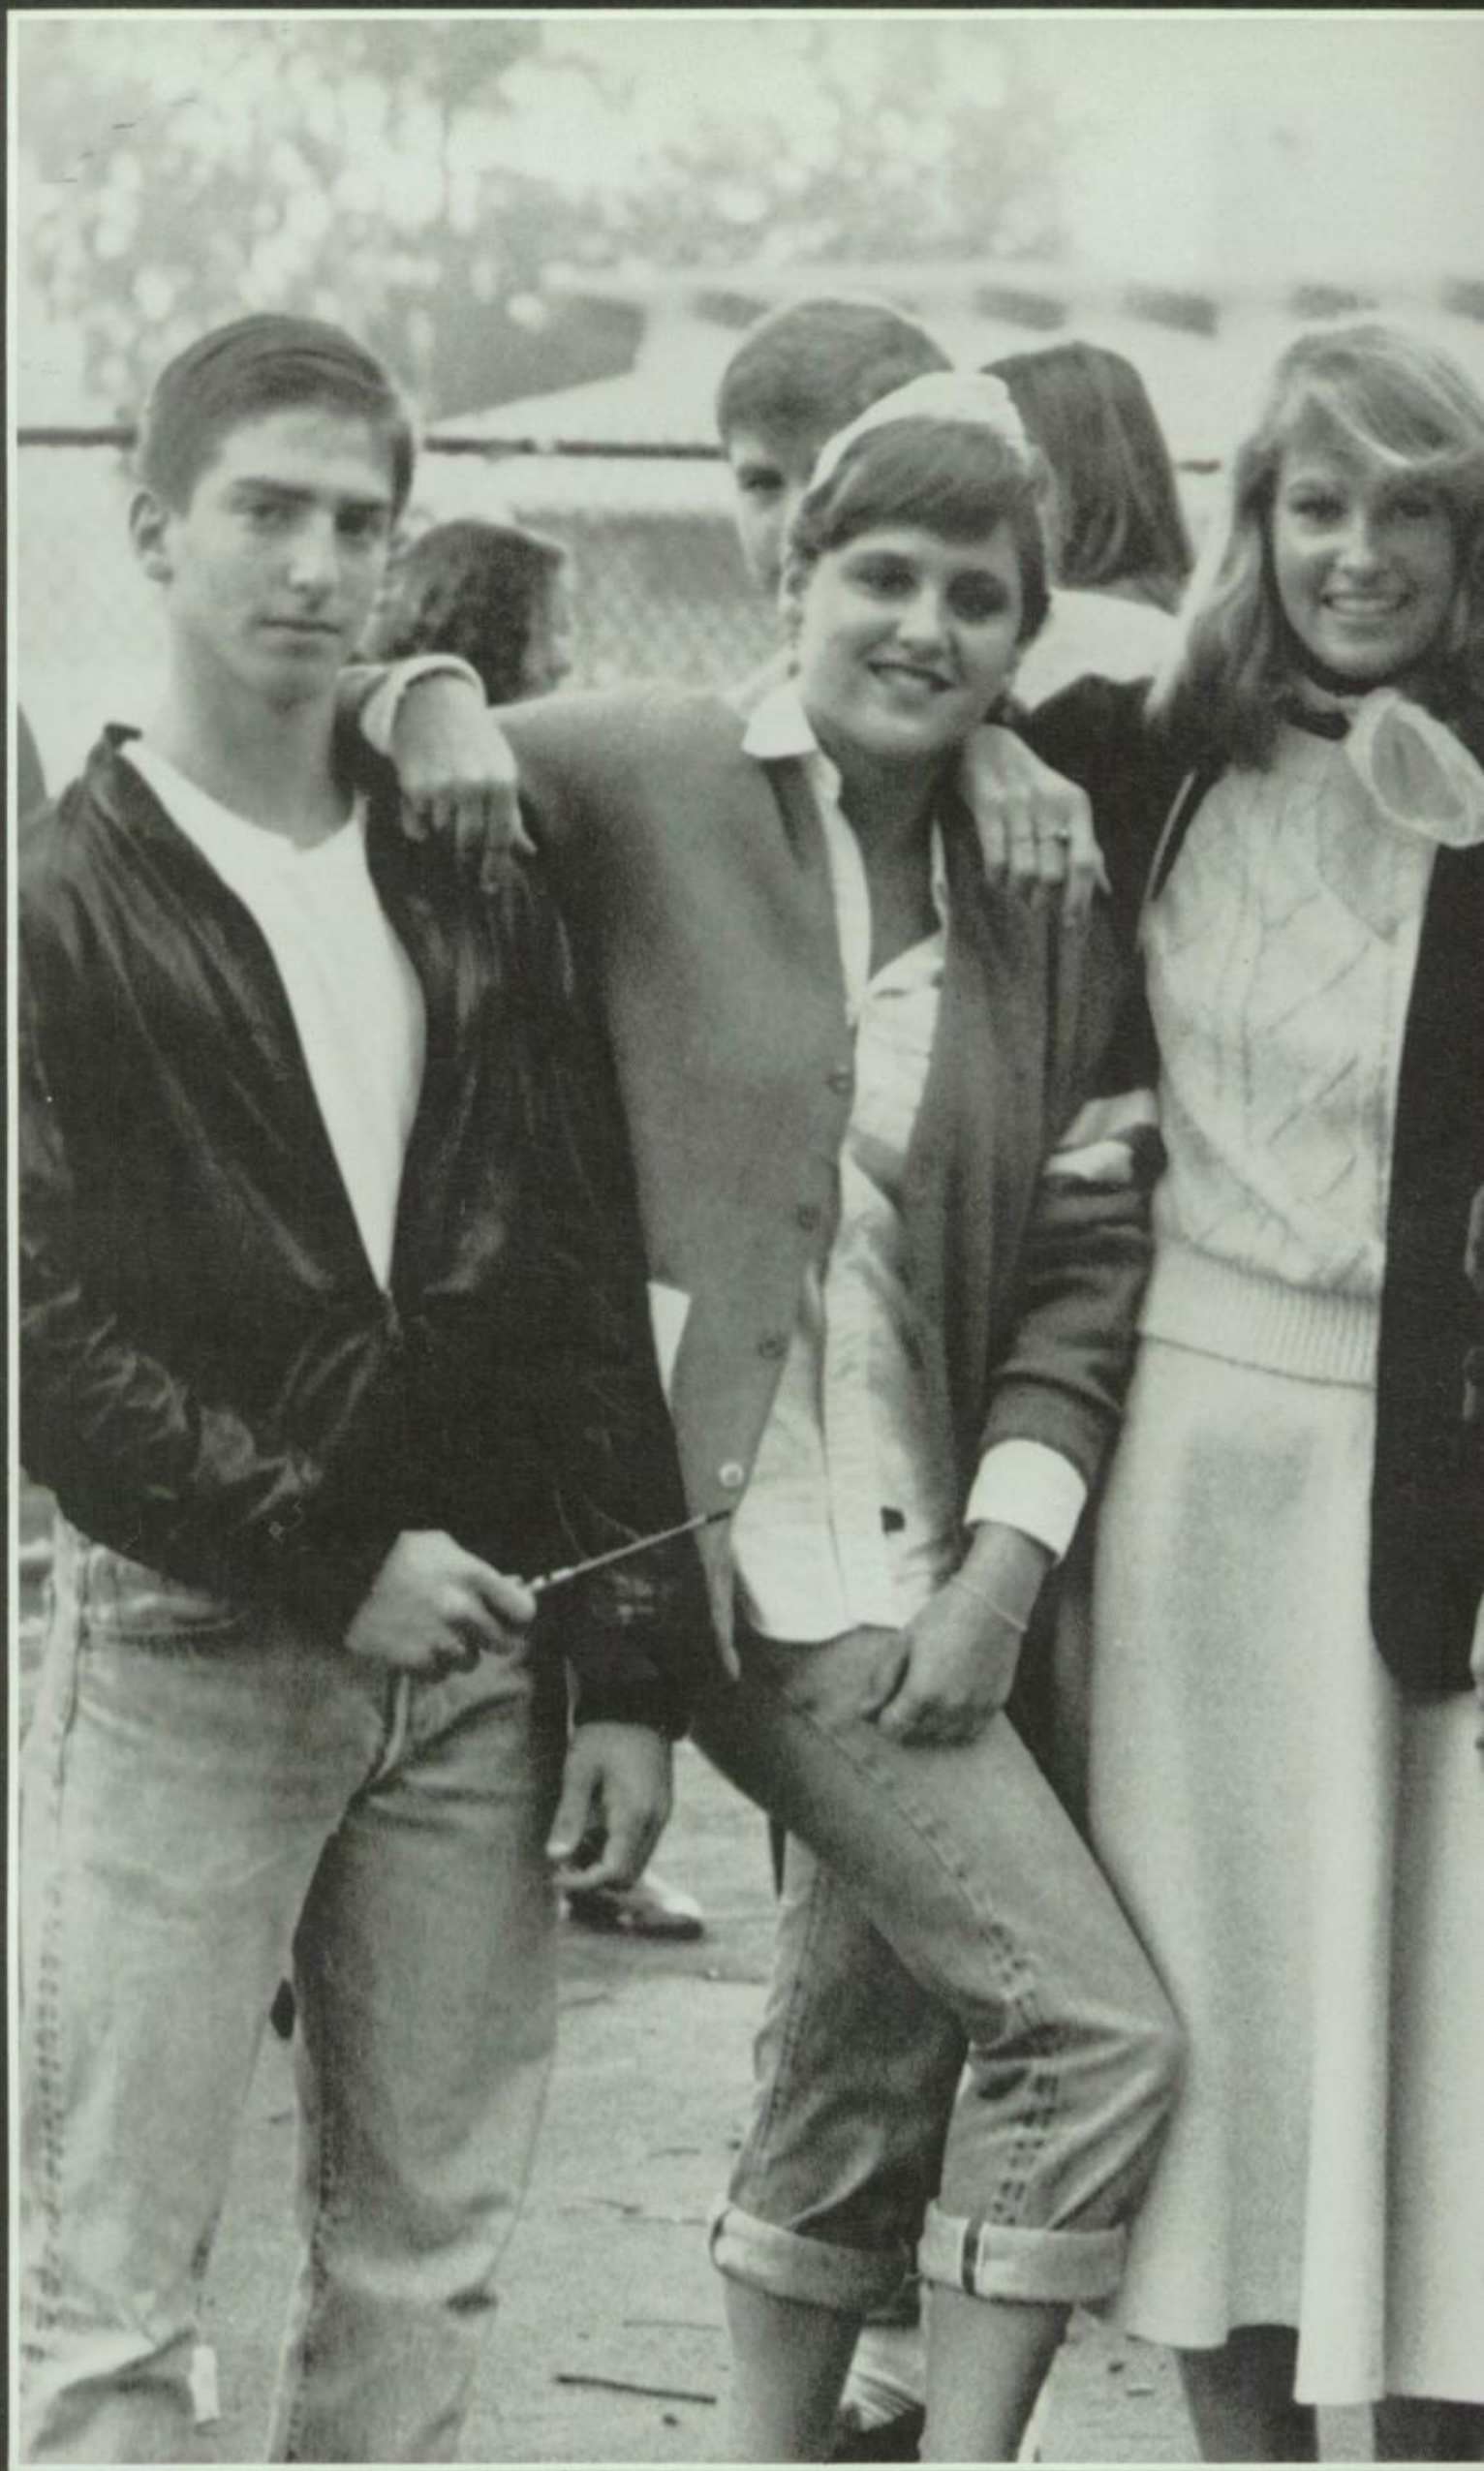

Floats

As tradition follows, the senior class won first place for their recreation of the "Ancient Greek Period," with their Toga float. Junior council won second place for their Primitive Age float, and Student League followed these victories with their "Roaring 20's float.

Although our Warriors lost to Sylmar, the school spirit we share each year at Homecoming helped us to be winners.

Students Busy At Work

Tri-School

The Tri-School program is an original educational concept. For a group of Uni's new tenth graders, the program takes up second, third and fourth periods in the classroom building and offers a combination of disciplines including: biology with George Bonorris and Paul Lund, English with Helena Katz (replaced by Suzanne Borenstein second semester) and Suzanne Solig, and math with Donald Checchi and Martin Solig. Benefits of Tri-School beyond its academic strengths include the annual Mammoth ski trips and occasional field trips to such places as the LA Zoo and the Malibu tide pools. These students leave the program with a new set of friends and a firm beginning in high school.

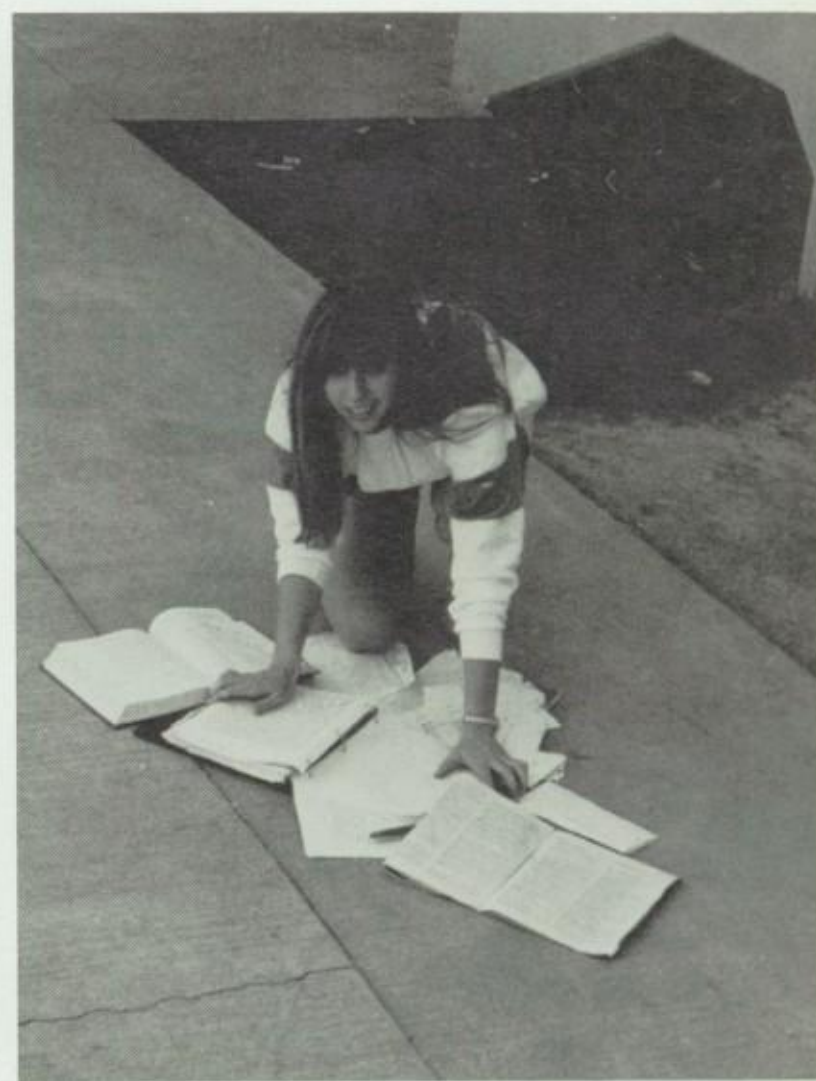

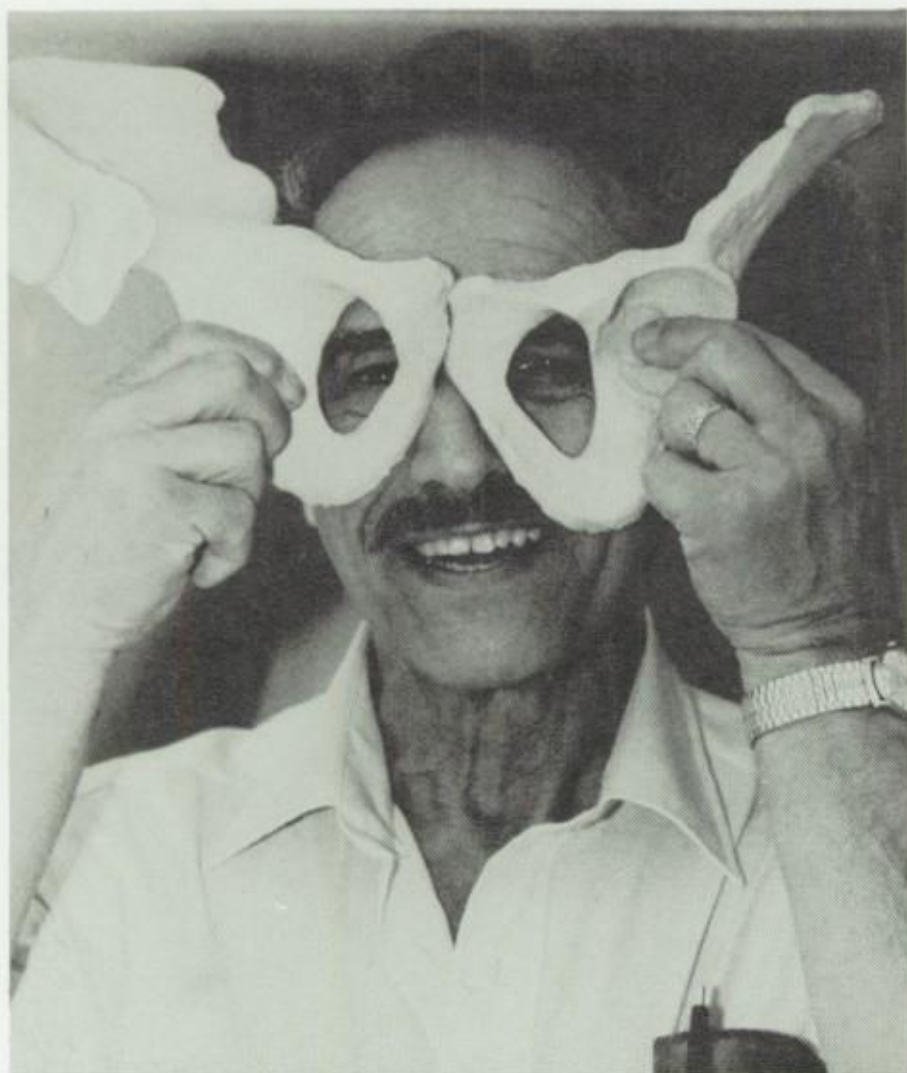

English As A Second Language

Bilingual education is an important aspect of the Los Angeles school system due to the constant influx of immigrants to California. Therefore University has an ESL program that helps non-English speaking students of many different nationalities adapt in an english speaking society.

The
Funnies

Job training programs, sponsored by the Regional Occupational Programs of the LA. Unified School District, offer students opportunities to enhance their career awareness while learning to earn. Within R.O.P. are classes featuring two periods of job preparation during the school day and late afternoon and Saturday classes offering a wide variety of subjects at school and industry sites. Successful completion of these courses means high school credit for eleventh and twelfth graders. The Regional Occupational Centers, five job training schools for adults, provide young adults with additional opportunities to obtain job skills.

Occupational Programs

Co-op Banking is a program involving students in four hours of paid work after four hours of schooling each day. Students are eligible for this work-study activity if they earn an "A" or "B" in the Bank Teller course, a Regional Occupational Program. Several Uni students are earning and learning in the Co-op Banking program during this school year.

"The students pictured," reports R.O.P. advisor Linnea Reames, "are only a few of those who have increased their earning power and knowledge of the world of work." Ms. Reames advises students in the College and Career Center, Room 212, for four periods per day.

Uni Plus In Action

In their first year with a new name, Uni Plus has accomplished many feats including restoring the horticulture area, a deed many organizations have tried in the past. Also Uni Plus maintains as high of academic standards as any in-school program at Uni. This organization is well-coordinated by teachers Bruce Gilbert, Tom Anderson, and Roslyn Farhi.

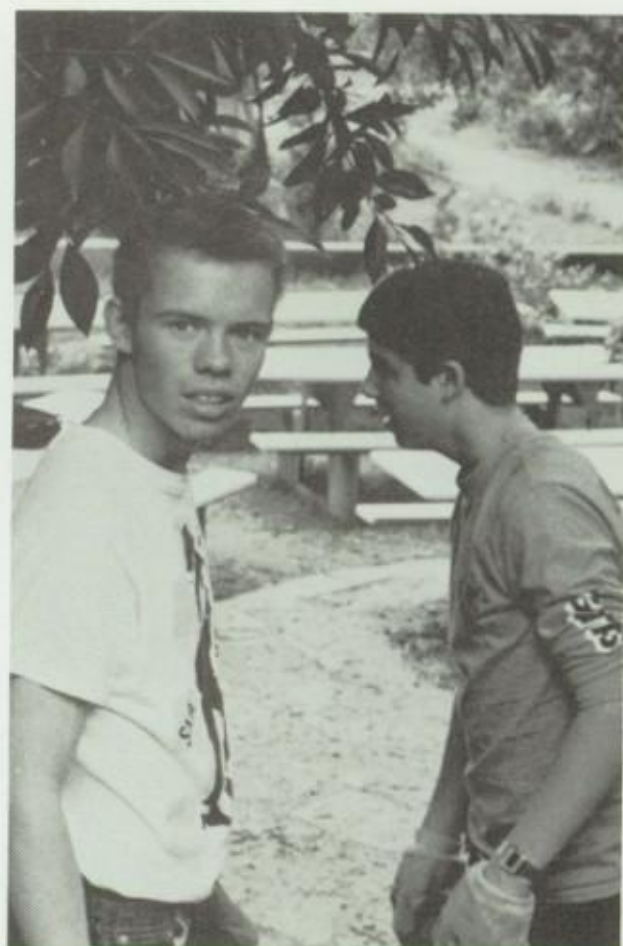

Seals enjoy a day in the sun on the Uni Plus whale watching trip.

FACULTY-CELEBRITY

The Uni faculty took on a team of celebrities sponsored by Josephina's Restaurant on Jan. 11 in the First Annual Faculty/Celebrity Basketball Game. Although overmatched by the Celebs' youth, quickness, stamina, and good looks, the faculty kept things close for the first two minutes until the Celebrity team began to pull away, eventually winning in a close upset 81-50. Highlights for the faculty included: Mr. Godfrey's sizzling passes, Mr. Lund's realistic commentary, and Mr. Gilbert's ill-timed injury.

Faculty, left to right: Reza Sefavi, Paul Lund, Milt Anisman, Dwayne LaRue, Mark Lee, Michael Duffy, Ray Fimbres, Jay Brady, Bruce Gilbert, Bob Schatz, and advisor, Gr Grunberg

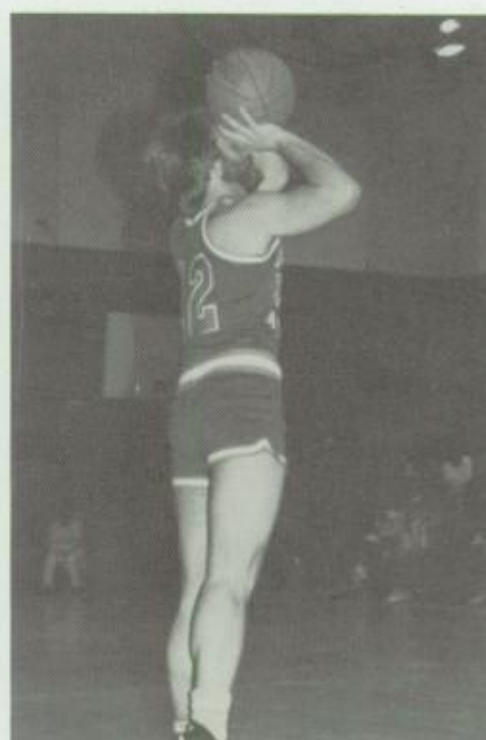

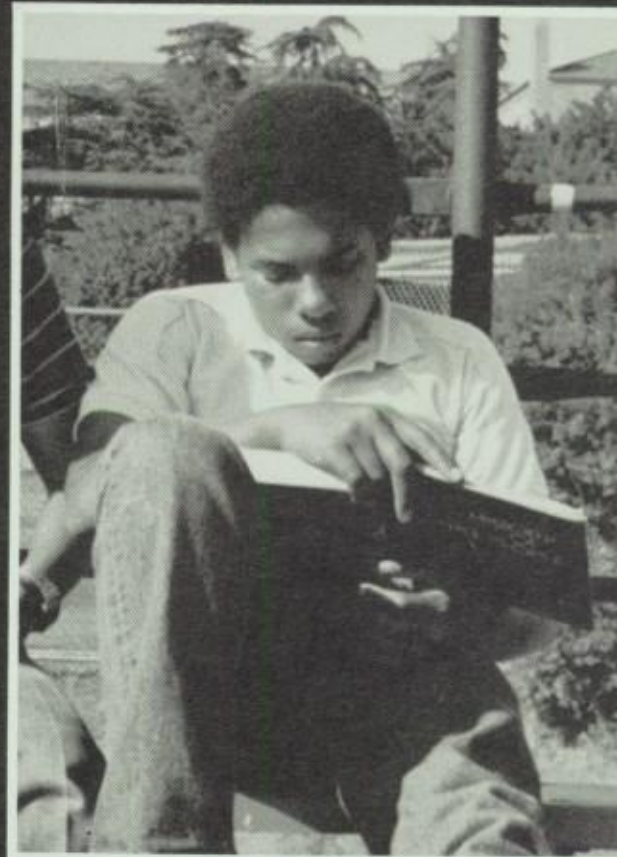

BASKETBALL GAME

The Celebrity team consistently showed their moves on and off the court, giving the spectators entertainment and giving the out-of-breath faculty all they could handle. Fast-breaking the wheezing teachers to the brink of exhaustion and dizziness, the Celebs showed why they are undefeated in exhibition play. In fact, their margin of victory is usually much greater than the 31 point gap against Uni. Both teams eagerly await next year's rematch, in which the injury-hobbled and cold-shooting faculty figures to be more prepared.

Fall Annual Class

This year's annual production class got off to a fast start thanks largely to the solid assistance of veterans from last year's staff. Some complications arose, however, in Spring semester when an entirely new staff enrolled in the year-book class who had to be trained in photography, copy-writing, and lay-out design. As usual, things became exceedingly frantic as the final deadline grew near.

Blood Drive

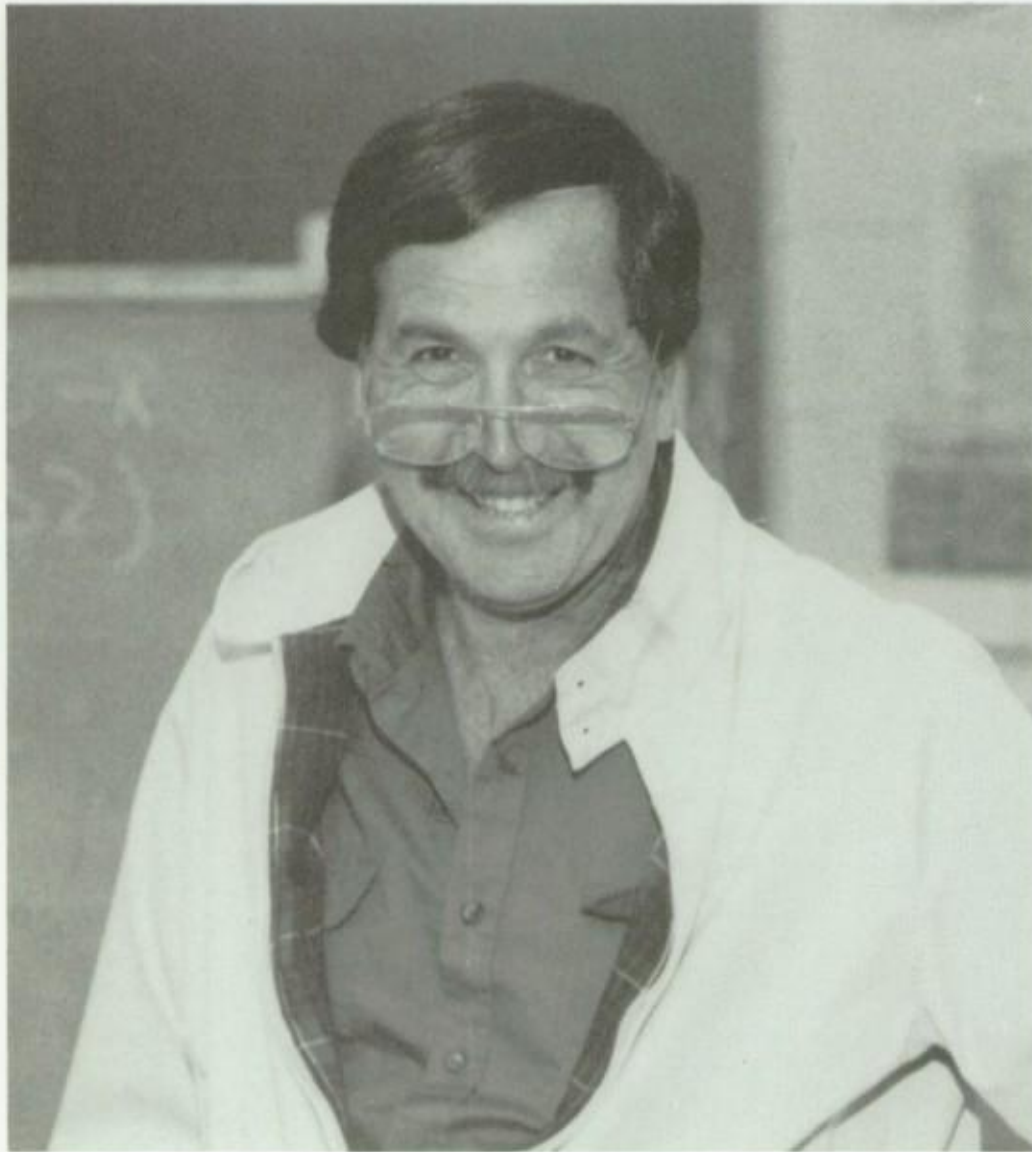

This years blood drives were again very successful. On Oct. 14 and again on March 21 the combined efforts of Uni volunteers and Red Cross workers worked effectively to extract over a hundred pints of needed blood from courageous Uni students and staff over the age of 17. This year as last, Uni was among the msot generous schools in the district.

This year's team started the season looking like a shoo-in for the Pac-8 title, unfortunately, the team was devastated by injuries, most notably the loss of junior tailback Rod Armstrong who in the first three games accumulated over 400 yards! Although the team was unable to repeat shutouts over schools such as Hamilton and Fairfax they could be characterized as a team that never quit even when everything seemed to be going wrong.

Debbie Bakeman, Rena Derezin, Janet Donaldson, Gillian Marloth, Mona Stitsky, Lisa Boesky, Yvette Willard, Andrea McClennan

To start off the '82-'83 year, both cheerleading squads attended a cheer camp for four days. As with every year, new cheers and new mounts were added to their performances. Though Uni teams didn't perform to our expectations the cheerleaders stood by with great enthusiasm.

Cross Country-Varsity

Top Row: Darren Hoag, Kevin Holabird, Earl Smith, Bobby Stephenson, Steven Gruenwald. Bottom Row: Jesper Helwig, Jeff Armendariz, Natanel Isaac.

Uni Cross Country has always been a name respected by the entire city. This year the Varsity maintained that respect by proving that they were competitive throughout the year. Although the Varsity was eliminated in the city semifinals, they proved that they could race with runners like Natanel Isaac, Jeff Armendariz, Bobby Stephenson, and Jesper Helwig. For Coach Kampmann this year's team was an above average team, but Coach Kampmann as always has been able to gather and mold top quality teams.

The JV squad was a team that could and did destroy its opponents during the western league finals, but when the JV's reached the city finals the championship fell into the lap of Belmont. Maybe next year?

10th Grade Cross Country

Right from the start, the tenth grade team showed outstanding promise. The sophomores, as a whole, showed superior speed and determination over the 2.18 mile course. Even though most of the runners were new to racing, pace judgement allowed them to be the leaders in the league.

The Varsity Soccer team won its first Western League championship ever by going undefeated with a 7-0-3 record. Led by Co-captains Kevin Simon and Sean Welch, the Warriors fought their way to the City quarterfinals where they lost a tough 1-0 game to Lincoln. Other standouts for Uni were Eric Toke, Todd Maurer, and Joerge Anleu who also helped Uni to a 9-2-3 Overall record.

Varsity Basketball

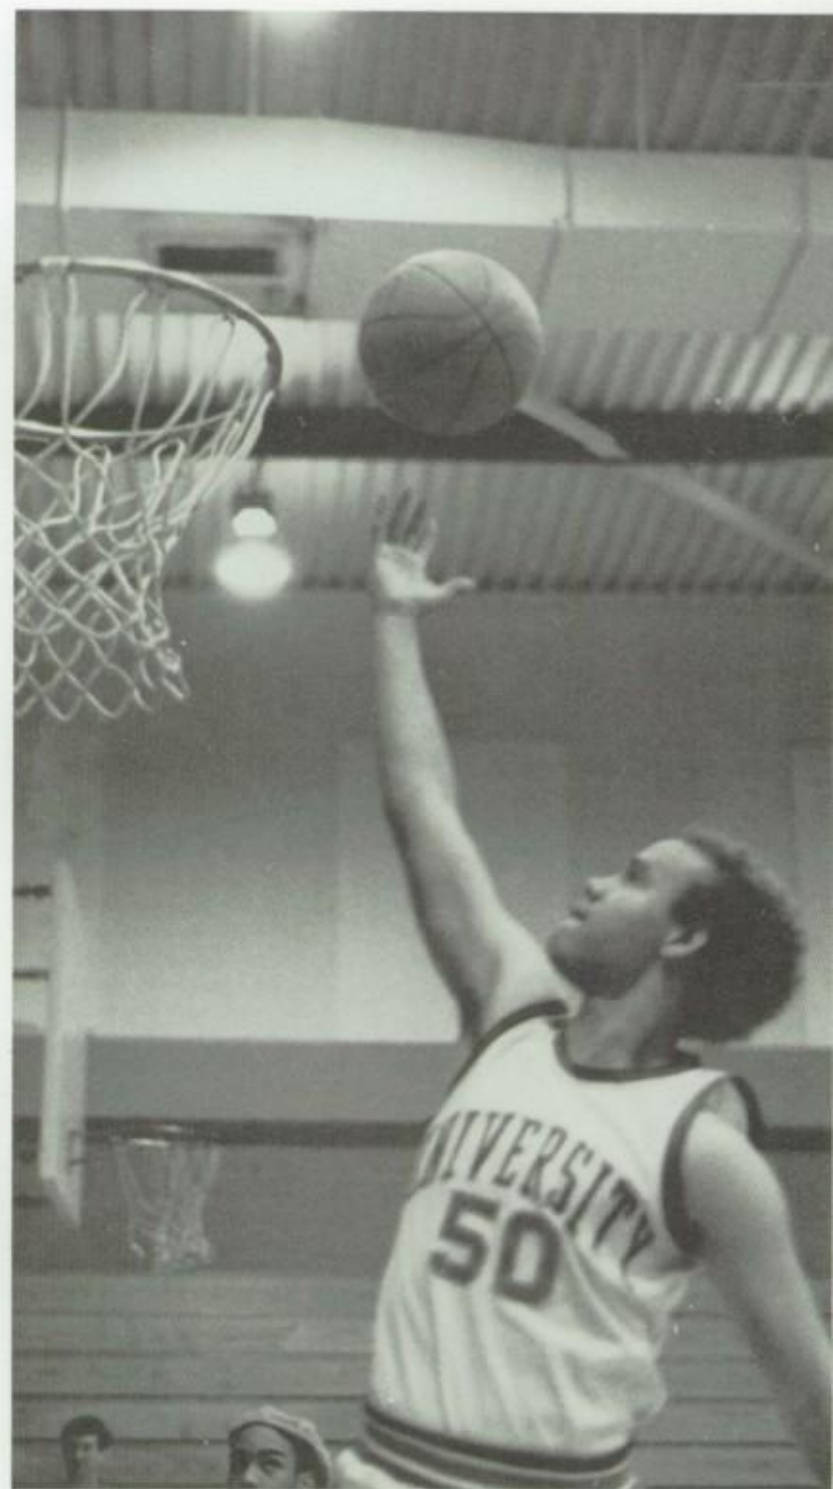

After a slow and rather frustrating start, Varsity Basketball had their moments in the mid and latter half of league. Yet, they failed to get completely untracked and unfortunately were just shy of City Playoffs, placing fourth. Prior to league, the Warriors were unsuccessful in the two invitational tournaments at Taft and at Eagle Rock. Practice games also failed to shed any signs of a successful year. With only one returning starter, Avery Cotton, next year's Varsity hopes for a more successful season.

Once again, our JVers had a rather successful and highly accomplished season. They placed second in league with a record of 6-4 and an overall record of 11-5. Outstanding performances during scrimmages and practices predetermined the Warriors success in league. A strong starting five led a group of talented players through the season. They leave a sure sign of strength for next year's teams and will be a tough act to follow.

Don't let the casual appearance of these athletes fool you. In street clothes or in uniform, the Bees and Cees, coached by Jim Nakabara, are a formidable opposition for any league team. These athletes, led by such standouts as Henry Harris and Darren Norman, will be heard from in Uni's basketball future.

Although lacking the sense of Uni spirit that the Girl's Tennis Team has had in the past, top players Nikki Gross and captain Barby Ross managed to put the team at third in the city. Doubles players Lori Lazar and Novelyn Hitchins advanced to the city individuals. In one of the season openers, Nikki Gross played an excellent game against one of Crenshaw's top players. At the city individuals, a great effort was put forth but the team could not pull ahead of Pali. Coach Sara Pence says that "the team next year will have twice the spirit and ambition that it had this year."

Led by returning all-league players and co-captains Juan Marquez and Steve Sandorf, the Warriors had an encouraging season.

The strong hits of Kevin Simon, the artistry of pitchers, Mike Harolde and Jay Schram, the skillful infielding of Preston Mitchell and Mike "Dutch" Renner, and Greg Brookins' practiced ability in left field helped the team in playing one of their most challenging seasons yet.

The first non-league track meet versus the Bell Eagles proved UNI-s Varsity Track squad was capable of providing the all-around talent needed to come away with a win. The team will need all the talent and motivation shown in the Bell meet to establish itself as playoff-bound material and to compete with the tough schools Uni will have to face this year. This year's team is stocked with talent and should be a definite contender for the Western League Title.

University High football games were joined by the screams and encouragement of our Drill Team and Flag Team. The spirited girls performed at halftime, and during the game their screaming and yelling from the stands gave our team enthusiastic support which led the Warriors to an occasional victory. Their vocal energy was so pronounced that the Uni teams sometimes had to ask them to quiet down a bit so that they could hear the plays being called.

Idi Babe,

It's hard to believe that this year has flown by so very quickly. I've only been here a year, but it's funny how it seems like a few short seconds. But, the next 2 yrs. will fly by for me quite fast, and you, . . . you only have one short year of fun and laughter until you take that big step towards success and successful, I know you will be.

But, understand that you must believe in your goals to achieve them and encouragement is something I know you'll never lack because you have acquired so much already. Understand that what you want to do is most important, not what people want you to do. I wish you bulks of success and happiness. Stay the kind, loving person you've always been and never give up on mankind.

fondly,

K.I.T.
